TRUMAN ASKS CONGRESS TO LEGALIZE STEEL PLANT SEIZURE

QUICK ACTION
DEMANDED IN
SPEECH TODAY

Washington (AP) — President Truman asked Congress today to act legislation quickly allowing the government to take over the nation's steel plants and operate them until the union-management dispute is settled.

The President made his request in a personal address to a joint-house session, hastily summoned after the collapse last night of steel peace negotiations.

Truman ruled out any use of the Taft-Hartley Law to end the eight-day-old nationwide strike of 50,000 CIO United Steelworkers. He said it would be "unwise, un-der, and quite possibly ineffective" to pass a law allowing him to seek an injunction without first appointing a board of inquiry and acting for its report, as required by the Taft-Hartley Act.

The government seizure of the mills under congressional authority, Truman declared, would "restore full scale steel production, provide fair treatment for all concerned, and maintain incentives for both parties to reach agreement on the disputed issue through collective bargaining."

Truman seized the mills last April, acting under what he termed the inherent powers of his office. But the steel industry fought back in the courts and the seizure was upset by a historic Supreme Court ruling on Monday of last week that Truman lacked such inherent power.

Immediately after the court decision, the steel workers walked out. Pleading now for Congress to give him this power, Truman told his legislators in solemn words that full scale production of steel is absolutely necessary to the Western rearmament program. He added:

"The issue of peace or war hangs in the balance, and steel is a vital element in the outcome."

Alluding then to the great court fight over his seizure powers, Truman said he believed he was only vying up to his oath of office when he ordered seizure of the steel plants last April 8.

Truman said the seizure law he recommended should not prevent the government from changing wages and working conditions during the period of government operation.

Clinger Resigns As
Civil Defense Head
for Warren County

It was generally understood at the Court House today that W. Lloyd Clinger had submitted his resignation as director of Civil Defense for Warren county, but either Mr. Clinger, who was out of town, or the Warren County Commissioners could be reached for comment.

At the Commissioners' office, it was believed Mr. Clinger's resignation, effective today, was in their files and would be given consideration when they returned from business in the county, later today.

Mrs. Virginia Templeton, secretary, said at the Civil Defense office that it was a "complete surprise" to her.

P. C. Ostergard and Harry Schmidt are assistant co-ordinators for Warren county.

Presbyterian State
Synod Is In Session

Chambersburg (AP) — A Lester Gould of Erie presided today over the annual meeting of the Pennsylvania Synod of the Presbyterian church as the week-long meeting entered its second day.

Mould, an Elder of the Church of the Covenant at Erie, was named last night to succeed the Rev. W. H. Galbreath of Shippensburg as synod moderator. The Rev. Galbreath preached the session's opening sermon yesterday.

A memorial service for 30 persons who died since the last meeting was held last night.

The church's Pennsylvania Women's Synodical Missionary society held separate sessions. The two organizations will meet separately until the Friday adjournment with a joint meeting each evening.

This Fish Keeps It
Under Musser's Hat

Milton, Pa. (AP) — Troy Musser, long-time Milton barber and sportsman, claims this fish story is the honest-to-gosh truth:

Musser was trying his luck in a nearby Northumberland county creek when a gust of wind lifted his hat off his head and carried it to the other side of the creek. Minutes later he spied the hat moving downstream at a rapid, zig-zagging pace.

Investigating, he found a 10-inch trout hooked into one of the flies stuck in the battered fedora. It was his only catch of the day.

30 Prisoners Dead,
152 Are Injured In
Big Kojie Rebellion

By ROBERT E. TUCKMAN

Kojie Island, Korea (AP) — Tough U. S. paratroopers today cracked the Communist prisoner of war rebellion in a rip-roaring 2½-hour battle that left notorious Communist leader 76 a flaming, bloody decapitated ruin.

Thirty prisoners died and 152 were wounded.

Two Americans were killed and 13 wounded.

The fight broke out when the POWs disobeyed orders to move peacefully into new, smaller enclosures of about 500 each.

U. S. Army Intelligence officers found a master plan in 76 to liberate all 80,000 Communist prisoners on Kojie. It called for the Reds to seize the island and its U. N. garrison and turn its weapons against any force from the mainland. Further details were withheld.

Not a shot was fired in the barbed wire incircled battlefield. The 750 Americans of the "Angels From Hell" combat team used concussion grenades, bayonets, tear gas and fists to subdue the rebellious 6,400 North Koreans. The Reds were armed with spears, knives, rocks and firebombs.

Surrendering prisoners were hustled off to the new enclosures.

Brig. Gen. Hayden L. Boatner, the Kojie commander, had given the Reds a chance to move to the new quarters peacefully.

Die-hard Communist leaders chose to fight.

Boatner met the resistance with force in his campaign to gain uncontested control over the prison pens.

The wild, swirling battle was witnessed by prisoners of two other nearby compounds—78 and 77.

Conewango Club
Founder Honored

Samuel G. Allen, native of Warren and prominent administrative attorney for New York interests for many years, was honored guest Monday for a luncheon given by members of the Conewango Club, of which he is the only surviving founder.

About 30 persons, chiefly old friends of the honored one, attended the luncheon and spent a pleasant time reminiscing over earlier days and their happenings.

Last evening, Mr. Allen and his wife, here from their home in Pinehurst, N. C., were honored at a dinner party for 150 guests, given at the Woman's Club by Mr. and Mrs. Horace Cray. Visitors included Mr. and Mrs. Miner Cray, Sr., North Port, N. Y.; Mr. and Mrs. Miner Cray, Jr., Huntington, Long Island; Mr. and Mrs. Jerome Smith, New Orleans, La., and Cleveland.

HOD CARRIERS IN
NEW WAGE CONTRACT

Pittsburgh (AP) — The AFL Hod Carriers and Common Laborers' Union has signed a new contract with the construction industry in five western Pennsylvania counties giving 5,000 members a 20 to 25 cents an hour raise.

The wage boost covers workers in Allegheny, Beaver, Butler, Washington and Westmoreland. The one-year pact boosts common laborers' wages from \$1.70 to \$1.90; hod carriers, mortar mixers and scaffolding builders from \$1.95 to \$2.15 and blasters and wagon drill operators from \$2.35 to \$2.60.

M'Arthur as Keynote SpeakerCampers' Rally At
YMCA Attended By
Parents and Boys

A fine turnout of parents and boys going or planning on going to the Warren YMCA boys' camp at Lake Erie from June 22 to July 2 turned out for the Campers' Rally held on the second floor of the association building last night.

Charles Koebley, chairman of the boys' work committee, opened the rally with a welcome to the parents and boys and then turned the affair over to the camp director Murray Cameron, who showed colored slides of last year's camp.

Following this Bill Oelslager screened a film of old camping days and ran off three shorts for benefit of the younger set.

The session was then opened for a question period on the camping program, followed by serving of refreshments.

With an able staff on hand once more, this 1952 camping period of the "Y" will be as big as ever. There will be special instructors in all of the various fields, such as archery, riflery, nature study, crafts, etc. It also has several advantages over last year, having no break in the 10-day period, and the session will be over two full days before the fourth of July, which so many of the youngsters hate to miss.

NURSING ASSN. HAS
54 CASES IN MAY

With 11 new cases added during May, the Warren Visiting Nursing Association cared for a total of 54 cases in the past month. Medical cases accounted for 50 of the number, two were surgical, one for tuberculosis and one new-born baby.

In her monthly report, presented at this morning's meeting of the board of directors, Nurse Helen Downey showed 240 nursing visits made, one call in the interests of social service and welfare, and 85 office and telephone calls.

Acknowledgment is made by the board of the gift of a hospital bed and other equipment for bedside care.

MINISTER IS SPEAKER
BEFORE ROTARY CLUB

Rev. Leo Hansen, superintendent of Union Rescue Mission in Jamestown, was introduced by Rotarian Rev. Fred Miller as guest speaker at Monday's luncheon meeting of the Warren Rotary club at the YWCA. Rev. Hansen told interestingly of the constructive work being done at the Mission.

David Olson of Titusville, Tim Wright of Penn Township, Pa., and Ad Lyon of Bradford, were guest Rotarians while Rotarian Dan Walton introduced as his guest, Ralph Wagner of Niagara Falls, former YMCA secretary here.

CRAIG AIR FORCE
SOLDIER KILLED

Selma, Ala. (AP) — Funeral services were held today for Robert E. Bernhardt, 19-year-old airman at Craig Air Force Base here.

Bernhardt was killed Sunday by an accidental pistol shot at the base. His body is to be shipped to his home at Indianapolis for burial.

Air Force officers said Thomas J. Slater, 18, of Huntington, Pa., was involved in the accident, which occurred while the two young airmen were on duty at the main gate of the base.

Tentative Program Arranged
For 100th Birthday of Church

A tentative program is announced today by Rev. Victor Redfoot for the centenary celebration of the Sugar Grove Methodist church, opening June 24 and continuing through Sunday, June 29.

The first service has been planned as Historical Night, with the Rev. E. D. Hulse of Knox, a former pastor, as the speaker, and music by the Sugar Grove choir.

On Wednesday evening, June 25, the Rev. Harold Knappenberger of Franklin, former minister of Grace Methodist church of Warren, will speak, with neighboring pastors participating and special musical numbers.

Music Night on Thursday will feature a sacred concert by the First Lutheran choir of Jamestown, Miss Ebba Goranson directing. A social hour and refreshments will follow the program.

Friday is designated as Youth Night, with Rev. Redfoot as the speaker and a girls' trio providing musical selections.

Concluding on Sunday, there will be two big services, Bishop Lloyd C. Wicke, of the Pittsburgh area, preaching at 11:00 a. m. and the choir having special numbers. Dinner will be served at 12:30 p. m. in the church dining room and, at 3:00 p. m., Rev. Wayne Fuman, the district superintendent from Jamestown and former pastor of Warren's First church, will be the speaker. As in other services, special music will have a prominent place in the arrangements for this concluding period of worship.

NEWSPAPERMAN DIES
IN HOSPITAL LEAP

Norristown, Pa. (AP) — Edward Yergler, 64, Norristown, was killed last night in a plunge from his third-floor private room in Sacred Heart Hospital.

He had been admitted to the hospital on Sunday. Yergler was an account collector for the Norristown Times-Herald for 30 years. He was seen on the window sill of his room by a hospital employee minutes before plunging to his death.

PANMUNJOM
CONFERENCES
WILL RESUME

Munsan, Korea (AP) — A United Nations spokesman said today Red truce negotiators will have to talk business without propaganda or the Allies again might recess the tightly deadlocked Korean Armistice talks.

Negotiations, 11 months old today, resume tomorrow at Panmunjom at 11 a. m. (9 p. m. Tuesday EST) after a three-day recess called by the U. S. Command over Communist protests.

Brig. Gen. William P. Nuckolls, U. N. command spokesman, said there is a possibility of another recess "after this respite if the propaganda barrage once again becomes intolerable."

Maj. Gen. William K. Harrison, senior Allied truce negotiator, called the recess Saturday because of "Communist propaganda drive."

Each day since, the Reds have sent a liaison officer to the truce site to demand immediate resumption of the talks. The demands were ignored.

REVENUE COLLECTOR
FOUND NOT GUILTY

San Francisco (AP) — James G. Smyth, third of the scandal riddled Internal Revenue Bureau's ousted collectors to be tried, was acquitted of backdating his own 1945 income tax returns to defraud the government.

Two other ousted collectors—Dennis W. Delaney of Boston and James P. Finnegan of St. Louis—were convicted earlier this year.

A Federal Court jury of eight women and four men last night freed Smyth after deliberating seven hours. They acquitted him of three charges after he and others testified his returns were duplicated, filed to replace lost originals.

FROWN ON STORAGE
OF GAS NEAR COAL

Wilkes-Barre (AP) — State legislation prohibiting the storage of natural gas near workable coal fields was urged by State Mines Secretary Richard Maize last night in an address before the Mine Inspectors' Institute of America.

Maize said he knew of cases where miners were killed by gas seeping from storage pools into mines.

The 42nd annual convention of the Inspectors' Institute closes tomorrow. Some 400 federal, state, local and company inspectors and their wives are attending the sessions.

GETS LIFE SENTENCE

Pittsburgh (AP) — Harry C. Stoebe, 40-year-old steelworker began serving a 10 to 20 year prison term today for the hammer slaying of his wife, Frances, 33, last January. Judge Samuel A. Weiss passed sentence yesterday, and told Stoebe he should be thankful he didn't get the death penalty.

LIAS' PARTNER IS
CALLED AS WITNESS

Washington (AP) — A business partner of William G. Lias was called as a witness today to support Lias' contention that all his 1942-48 earnings were on record for tax purposes.

The witness, William Reuther of William Reuther, Inc., Wheeling, W. Va. was the third to be called in the U. S. Tax Court hearing in the long-disputed tax case.

Lias, a Wheeling race track owner was tried and acquitted of criminal charges of evading income tax payments.

The government contends Lias owes approximately \$2,850,000 in taxes, penalties and interest for the years 1942-48.

URGE X-RAYS FOR
ELDERLY SMOKERS

Chicago (AP) — Twice-a-year X-ray examinations for middle-aged men who are heavy smokers were recommended today by a Washington, D. C., doctor as a means of improving the attack on lung cancer.

Declaring that there is a higher proportion of lung cancer among heavy smokers than among non-smokers, Dr. J. Winthrop Peabody said he believed such an X-ray procedure would assure spotting any such cancers early enough to allow successful surgical operation.

Flag Day Speaker

SENATOR EDWARD MARTIN, above, of Pennsylvania, will be speaker at the annual Flag Day celebration of the Warren Lodge of Elks at War Memorial Field Saturday evening. Senator Martin's address will be given after the culmination of a huge parade to War Memorial Field, due to move at 6:30 p. m.

Big Flood Control
Project Urged For
Susquehanna River

Washington (AP) — A 75 million dollar flood control project for the West Branch of the Susquehanna River in Pennsylvania has been recommended by the Army District and Division Engineers.

But the recommendation was without a controversial hydro-electric power feature.

Information on the recommendation was given to Sen. Duff (R-Pa.) yesterday by Col. B. E. Talley, North Atlantic Division Engineer, in advance of a public announcement.

The flood-control dams recommended are the same as those recommended previously. Missing this time is the previously proposed Keating multiple-purpose reservoir on the West Branch about 4.2 miles above the mouth of Sinnema-honing Creek.

Opposition was voiced against the proposed hydro-electric dam at a hearing a year ago by many Central Pennsylvania residents and coal and railroad interests.

Talley said the estimated first cost of \$74,980,000 for the proposed project was based on January, 1952, prices. Estimated annual maintenance and operation costs would be \$120,000, he said.

CALLED AS WITNESS

Washington (AP) — A business partner of William G. Lias was called as a witness today to support Lias' contention that all his 1942-48 earnings were on record for tax purposes.

ANNEXATION IS REQUESTED
BY PROPERTY OWNER GROUP
IN THE QUAKER ROAD SECTION

Borough Council took long strides toward solving the parking problem which is strangling retail business in Warren when, at Monday night's regular meeting, it passed an ordinance to establish a Parking Authority. Having passed the ordinance on first reading and then on second reading, under a suspension of the rules, early during the meeting, Council returned to the question just before adjournment, and after considerable discussion and many questions, passed the ordinance on a third and final reading.

It having been ascertained that members of the Authority should be selected by the president of Council, Borough Solicitor S. Knox Harper had included the selection of President William E. Rice in the prepared ordinance, as follows:

Nat W. Drake, for five years;
H. B. Pettit, for four years;
C. T. Berdine, for three years;
William C. Fuellhart, for two years; and
Raymond E. Johnson, for one year.

Councilman W. Beyer Africa cast the only dissenting vote throughout the proceedings, and clarified his opposition when he said he felt no bonding or banking institution "in its right mind" would loan funds for establishment of a Parking Authority in a town of 15,000 in a county of 40,000 persons.

President Rice and Councilman J. G. Smith, chairman of the public safety committee, who sponsored the ordinance, said establishment of the Authority did not mean that property would be acquired at once, perhaps not at all, and that the primary task of the Authority will be conduct of a traffic survey. While a motion appropriated \$75 to the Authority at this time, to be used for incorporation expenses, discussion among the councilmen and with Solicitor Harper revealed that they anticipated a complete survey, supervised by a competent parking engineer, might cost as much as \$2,500.

In taking action last night, Council indicated its desire to have the Authority set up "just in case" a purchase of property for an off-street parking lot is deemed necessary, or for any other action which will alleviate the condition which now exists.

It was the first time for most councilmen present that they had been confronted with the question of annexation, and a petition from a group of freeholders in the Quaker road section of Glade township, immediately adjacent to the borough, asking that the section indicated be made a part of Warren, was referred to the Public Service committee to consult with the Public Works and Public Safety committees, Borough Manager L. M. McConnell, Borough Engineer C. W. Barwis and Solicitor Harper, and to make recommendations at the July meeting.

The portion of Glade township which would be annexed, if Council approves, has Quaker road as its north boundary, the present borough line as the west boundary, east to a point approximately 150 feet east of Lawn avenue, with the south boundary being an easterly extension of the present borough line.

Clifford Betts, president of the Kiwanis club, accompanied by Kiwanians Paul E. Harrington and George Redding, appeared before Council and Mr. Betts requested that the club's initial use of War Memorial Field, July 24, for a wrestling exhibition to benefit the underprivileged children's fund, be free of any charge by the borough because of the nature of the benefit. The request was granted, and with some humor when the motion was made by Paul Yagge of the Lions' club.

Two requests for installation of sanitary sewers were referred to the public works committee, the report of which was given by Chairman S. H. Rasmussen. Property owners on Complanter avenue asked installation of a sewer from the South street intersection west 175 feet, while New street property owners asked extension of the sewer approximately 200 feet from the present manhole. Also referred to this committee was the request of Paul J. Swanson that the borough accept Hill street and McPherson street to the borough line and install a street light there.

Assistance Board
Faces Decision On
Stipend Increase

Harrisburg (AP) — The State Public Assistance board sought today to arrive at a final decision on how much to increase food and fuel grants to persons on relief.

Mrs. Eleanor G. Evans, board secretary, previously suggested the state's 230,000 relief recipients be given up to eight per cent more in food allowances.

The board discussed this suggestion at its last two monthly meetings and hoped to come up with its answers late today.

Robert P. Wary, deputy secretary, said the board is working on a "simplification" plan which would set a family's allowances according to the area in which it resides.

Fuel allowances are presently figured on the basis of the actual cost incurred by the user. A plan for making fuel available on a flat rate basis, county-by-county, was presented at one of the earlier meetings.

Sunbury Sea Scouts
On Susquehanna Trip

Harrisburg (AP) — Five canoe-loads of sea scouts from Sunbury camped last night on Island Park here on their 125-mile journey down the Susquehanna River to Perryville, Md., on Chesapeake Bay.

They'll paddle on to Marietta today and hope to reach Perryville by Friday. In previous years they have toured both branches of the Susquehanna above Sunbury.

The trip started Sunday and has been smooth going so far. They camped the first night at the mouth of the Mahantango Creek and came through the rough water south of Clark's Ferry without difficulty.

1952 Presidential Elections Will Be Beefiest, Costliest and Airiest in U. S. Political History

By DOUGLAS LARSEN
NEA Staff Correspondent

Chicago—(NEA)—Whether they end up nominating Ike, Bob, Estes, W. Averell or Dean Acheson, delegates in the Windy City in July are promised the zaniest, most televised, steak-eating, strip-teasingest, most expensive and most air-conditioned national political conventions in American history.

Chicago's cooking up something real lively for the big events.

They've even got the famed smell out of the stockyards, where the hall is located. Newly-named the Chicago Convention Building & International Amphitheatre, it will hold 12,190 persons and is getting a brand new half-million dollar air-conditioning system which is guaranteed to reduce the temperature 15 degrees below what it is outside.

The huge new refrigerating machinery, the convention hall people claim, will produce the chilling equivalent of 2,000,000 pounds of ice a day. That's equal

to 165 pounds for each of the 12,000 who attend the sessions.

City officials are trying frantically to wash the town's dirty face for the events. They're spending \$500,000 paving the streets along the 15-minute ride from the loop to the hall and trying to make that part of its dirty, dilapidated South Side look as presentable as possible.

Every bartender in town has already invented a favorite candidate cocktail. The Kefauver-sling, for instance, consists of two parts corn whiskey, one part goat's milk, and is strained through a coonskin cap.

Managers of the Ambassador Hotel, which houses the famed Pump Room, have deduced for no apparent reason that the delegates will bring more dogs to these conventions than to any other — so they're building, at great expense to themselves, a "Pup Room"

For coverage of the conventions, space is being reserved for 1500 newsmen and 2000 radio and TV people. Now being permanently installed in the convention hall are nine television coaxial cables and 2200 pairs of wires for telephone, radio and telegraph.

BUY U. S. SAVINGS BONDS

The biggest in town!

Here's a nickel that buys plenty of service... comfort and entertainment. It's a nickel spent for electric service! For example, here's what 5c worth of electric service can do for your family:

- Make toast for your family for all three meals... (A penny's worth does that!)
- Switch clean three full tubs of laundry... (Only a penny for that power, too!)
- Vacuum six large rugs... (Lots of work for a cent's worth of electricity!)

- Furnish a cooling breeze for four full hours...
- AND
- Bring you and your family an evening's entertainment!

Where else could the average family get so much value for one small nickel? In fact, your electric service is just about the biggest bargain in your family budget. Don't you agree?

ANZIO MONUMENT—While constructing a battle monument in the cemetery in Anzio, Italy, workmen had a lot of marble to put in place as all the work is being made of that stone. The central point, shown in photo, will have two GIs, walking arm in arm with heads uplifted. The graves in this future beauty spot will remain untouched.

THEY START EARLY—Feminine vanity being what it is, it's not at all surprising to see 15-month-old Cathy Ryan, of Stratford, Conn., doing a bit of primping. Cathy was at New York's LaGuardia Airport, waiting to board a plane for Dallas, Tex., where she went to visit an aunt. And when a lady travels, it's only natural for her to make use of her compact mirror.

NOT FOR LONG—No one needs to be told that Archie, a feline resident of Miami Beach, Fla., did not get up on that bicycle seat by himself. His paws are much too short to steer the two-wheeler, even if Archie did want to go for a ride. But he's posing pleasantly, holding still just long enough to have his picture taken for you.

FOR A LARGER FAMILY—When Sen. Fred A. Seaton (R., Neb.) and his wife Gladys arrived in New York from London, they had two German war orphans with them whom they plan to adopt. The Seatons already have two adopted children, but they're hoping to increase that number by two more. Alfred, six, and Monica Margaret, four, seem to be the answer to their need.

STRICTLY FOR THE BIRDS

IT'S THEIR SEASON—Springtime is nesting time, and nests lead to eggs and baby birds. One feathered mother, upper left, has her mouth full in Allentown, Pa., with her 10-day-old offspring eager to be fed. A sign in Minneapolis, Minn., warns hands off as a robin sits patiently on a windowsill, hatching her eggs, right. In London, England, a bald-faced coot taps on an egg as if impatient for her offspring to emerge, lower left, and an eyedropper substitutes as a mother for three orphan baby robins in Waukesha, Wis., right.

DISPLAY SOVIET PRISON CAMP—Germans survey the Soviet POW camp reproduction on display at an exhibition in Berlin which was dedicated to the more than 100,000 German POWs still in Russian work camps. The exhibit was constructed under the direction of former prisoners who also displayed primitive tools which illustrated the stark lives they led as captives.

HIDING THEIR FEELINGS—American soldiers of the 187th Regiment are going through riot training with gas masks and fixed bayonets on Kije Island, Korea. The regiment was sent from Japan to help keep prison riots under control as UN forces stopped up their guard preparations near the POW compounds where Communists captives have been committing mass brutalities.

HIGH DIDDLE DIDDLE—Musician Walter Boulton used the ski lift at Sun Valley, Idaho, to transport his bass fiddle to a jam session near the peak of Baldy Mountain. The lift is one of the longest in the world. According to nursery rhyme, the cow jumps over the moon when the cat plays the fiddle. Boulton can be classified as a "cat" of sorts and, while there's no cow in sight, the moon can't be very far away.

FIVE ON ONE—During a chimp show at a zoo in Detroit, five of the simians perched on a motorbike to give the spectators a treat. Of course, it was a "wheel" treat for the chimps, too, and they do look as if they're quite used to it.

CLOSE HARMONY—Puppeteer Bill Baird and Dooley, one of his creations, are shown practicing their art on the flute in New York. Bill and his wife Cora operate a children's marionette television show, but they've managed to design and build 30 puppets for "Jollyanna," a musical show which will open in San Francisco in August, and probably go on to Broadway.

Mrs. Jack Presents Pupils In Recital

Elizabeth O. Jack presented her piano and voice pupils in a very fine program for their annual spring recital in the Woman's Club.

There was a large and appreciative audience of friends and parents of the pupils, many voicing their appreciation of the work done by the students during the past year.

Piano pupils included Patsy McGroder, Carol Carnahan, Mary Kondak, Joyce Leonard, Kenneth Albaugh, Gary Tipton, Paula Cohen, Reta Slater, Jimmy Chitester, Rebecca Templeton, Barbara Bailey, Linda Cobb, Marlene Mascaro, Lou Anna Lane, Nadine Kifer, Marlene Rader, Karen Culbertson, Barbara Lester, Susan Mead, Robert Haslet, Jaynee Mead, Leona Mae Mead, Ann Loding and Gerald Kienck.

The program was interspersed with selections by the following voice pupils: Sandra Slater, Mary Watt and Jaynee Mead, accompanied at the piano by Mrs. Jack.

WCS MEETING
Lander—Mrs. Bert Strong presided for the regular meeting of the WCS, held in the Methodist church, and Rev. O. R. Swanson, Sugar Grove, conducted devotions and gave an interesting talk. A special musical number was given by Betsy Firth and Helena Marquis, violin, and Virginia Skinner, trumpet, accompanied at the piano by Mrs. James Marquis.

Mrs. Bert Strong gave a report on the conference at Grove City. Other business included appointment of Mrs. Harry Ludwick as chairman of the second division, and a report that \$26 was realized from the sale of magazines. The meeting was adjourned with a song and lunch was served by Mrs. Z. Kaczar, Mrs. Willard Dexter and Mrs. Kenneth Lindell.

MR. AND MRS. NORMAN O. FAUST

At 2:30 p. m. Saturday, June 7, in First Methodist church of Warren, the Rev. Harry Contoy performed the double ring ceremony which united in marriage Mary Ella Cable, daughter of Mr. and Mrs. Leon Cable, Bear Lake, and Norman Oliver Faust, son of Mr. and Mrs. Oliver Faust, Sugar Grove.

A lovely setting for the vows was carried out with ferns and large baskets of blue and yellow iris, lemon lilies and honeysuckle. Wedding music was by J. Richard Pratt, North Warren organist, and Barbara Bacon, vocalist from Erie.

The bride's gown of Skinner bridal satin and white nylon tulle was fashioned with paneling of white Chantilly lace, scalloped at the edges. The same lace and satin were used for the fitted bodice, with long lace sleeves pointed at the wrists. Her elbow length veil of tulle fell from a headband of beaded orange blossoms and her bouquet of white carnations was finished with satin streamers.

Given in marriage by her father, she chose as attendants Lorraine Johnson, Watts Flatts, N. Y., as maid of honor; Peggy Beaver, Bound Brook, N. J., and Betty Faust, Ann Arbor, Mich., as bridesmaids. All wore floor length gowns of pastel taffeta and nylon net, with matching mitts, Miss Johnson in pale blue, the others in yellow. All the gowns were fashioned by the bride's mother.

Completing the bridal party, Howard Jordan, Corry, was best man; ushers were Warren Stewart, Pontiac, Mich.; Richard Trisket, Columbus; Theodore Faust, Sugar Grove, and Leon Cable, Jr., Bear Lake.

The reception was held from three until five o'clock in the church parlors, the 200 guests including relatives and friends from St. Petersburg, Fla.; Bound Brook, South Orange, N. J.; Hartford,

Conn.; Jamestown, Panama, Rochester, Clymer, N. Y.; Ann Arbor, Pontiac, Mich.; Cleveland, O.; Erie, Corry, Columbus, Bear Lake, Russell, Akeley and Sugar Grove. Appointments featured summer flowers, light blue iris and lemon lilies, with honeysuckle, predominating.

After a wedding trip to western Canadian points, the couple will return July 1st, to be at home at Lakewood, N. Y. For travel, the bride selected a green suit and hat, with white and brown accessories.

Graduate of Panama Central High School, the bride is a senior at Allegheny College. Mr. Faust, graduate of Lottsville High, is part owner and operator of a used car lot at Columbus.

Honoring the bride-elect with parties have been Mrs. Richard Trisket, Peggy Beaver and Lorraine Johnson.

AT CONVENTION
Mrs. Evelyn Carr, newly-elected matron of Youngsville Chapter. Order of the Eastern Star is that group's delegate to the Grand Chapter convention being held in Pittsburgh this week.

CAMP FUND BENEFIT
Pleasant Township Girl Scout Troop 51 will hold a benefit ice cream social at the Pleasant school from five until nine on Thursday evening, all proceeds to be used for expenses at Camp Birdall Edey. Tickets may be had from girls in the troop or at the social.

Women Should Ask Husbands' Advice Before Buying Clothes

ONLY one woman in four, according to the results of a public opinion poll, gets her husband's opinion on a hat BEFORE she buys it. That means that three women out of four are missing a chance to get their husbands interested in a subject forever interesting to women—clothes.

They may be missing out in other ways, too. Most men are pretty sound critics when it comes to women's clothes. Their minds aren't cluttered up with what is "smart this season." They aren't impressed with a fancy label. They aren't slaves to that word, "serviceable," when it comes to a woman's clothes.

They judge a hat or a dress by one measure and one alone: "Does it look good?" on the woman who is trying it on for their inspection.

MAN'S ADVICE IS MORE REWARDING THAN WOMAN'S

SO a man's advice on clothes is usually more rewarding than the advice of another woman.

And there is one other little item that is of no small consequence. Buy an expensive hat and bring it home and the price tag may cause more comment than the hat.

But take the man who foots the bills along and he'll probably say magnanimously when you are trying to decide between an inexpensive little number that would do and a higher-priced one that has a certain something: "Why don't you take that one?"—pointing to the higher-priced hat. "You look pretty in that."

So it's not so dumb to ask a man's advice before you buy a hat or dress, instead of afterwards.

You're pretty sure aren't you that he gets better looking clothes when you go along to help select them? So isn't it reasonable to assume that it works the other way, too?

Daily Vacation Bible School Is Scheduled

Russell—Daily Vacation Bible School will be held in the Methodist church for two weeks, beginning June 16 and meeting daily from 9:30 to 11:30 a. m. All children in the community are cordially invited to join the classes and are promised many interesting things to do and learn.

Mrs. Benton Bairstow is general superintendent for the school, with the following assisting:

Beginners—Mrs. Gayle Garrett, chairman; Mrs. Elton Anderson, Mrs. Anton Vogler, Mrs. Harley Smith, Mrs. James Fleming, Mrs. Kenneth Ohmer, Primary—Mrs. David Smith, chairman; Mrs. Donald Fehlman, Mrs. William Owens, Mrs. Archie Phillips, Mrs. Floyd Lindquist, Juniors—Mrs. Charles Swanson, chairman; music—Mrs. Chester Anderson; pianist, Mrs. Charles Pearson; pastor, Rev. John L. Buck.

STUDENT RECITAL AT CONSERVATORY

A special number enjoyed in the weekly student recital at Warren Conservatory of Music was the Prelude and Fugue by Harbier, played by Mrs. Norine Grangquist, artist-pupil. Mrs. Grangquist used the Gullmunt-Rive-King arrangement of this great master work and played beautifully, bringing out the dramatic contrasts effectively. Another featured number of the evening was a piano duet played by Judy Dolphin and Kay Nicklas.

Piano solos were played by Marcia Brown, Tommy Greenlund, Penny Gigliotti, Karen Wile, Anthony Burke, Donald Smith, Susan Marinoble, Jeanine Moon, Susanne Newton, Ruth Ann Hamilton, Nancy Arnold, Barbara Baldensperger, Diane Anderson, Jon Erickson, Lucy Swanson, Karen Graves, Carla May Gay and Nola Deshner.

MARCONI BRIDGE

Henry Hunzinger and D. L. Vetter were high pair last evening in Marconi Bridge Club. In second place were Harry Kopf and D. A. Scallie; third, Joseph A. Scallie and Anthony J. Scallie; fourth, Mrs. M. A. Kornreich and Robert Larsen.

Out of town player-guests were Mrs. Jo Hendrickson and Robert Larsen, Jamestown; A. C. Foss, Erie; Mrs. R. Hamill, Pittsburgh.

PERSONAL ITEMS

Sgt. Theodore Gustafson returned on Sunday to Fort Knox, Ky., after spending a few days with his parents, Mr. and Mrs. Emil E. Gustafson, 915 Stone avenue. Mr. and Mrs. Gustafson entertained several of their son's friends at Sunday dinner.

Clifford Mader was at home from Erie to spend the weekend with his parents, Mr. and Mrs. C. J. Mader, Madison avenue.

Mr. and Mrs. J. R. Painter, of Oil City, were weekend guests of Mr. and Mrs. Lewis Arner, 107 Russell street.

Dr. and Mrs. M. L. Pardee and their daughters, Barbie and Marcie, have returned to their home in Cleveland, after spending a week with Mrs. Pardee's parents, Mr. and Mrs. Bert Erickson, 15 Franklin street. Arriving Saturday at the Erickson home were Mr. and Mrs. Carl F. Wittke and small son, also of Cleveland. Mr. Wittke has returned home but the others will remain for a week's visit with Mrs. Wittke's parents.

Mrs. Guy C. Johnson, Hendersonville, N. C., and sister Mrs. Gertrude Thomas, of Fort Pierce, Fla., are spending a few days in town, guests of Mrs. Samp Ostergard.

Mrs. Howard Putnam and mother, Mrs. Clarence Loney, are attending the grand assembly of the Rebekah Lodge at Reading. Others present from the area are Mr. and Mrs. Milton Witz and Mr. and Mrs. Ralph Knupp, the latter being a delegate to the Grand Lodge session from Warren Lodge.

Grace Church WSCS Concludes Its Season

Grace church WSCS closed its 1951-52 season with a tureen dinner, enjoyed in the church dining room by a large attendance. Following the serving, Mrs. LeRoy Hammerbeck conducted the regular business meeting.

Miss Lulu Boyd gave a very good report of the District meeting held recently in Kane. After this, Mrs. David Bairstow, Mrs. Clarence Baldwin and Mrs. C. Y. Canby reported on various sessions held at the Erie Conference WSCS, which convened in Grove City in May. Each brought out some interesting facts from the sessions attended.

After Mrs. Hammerbeck had announced the new Circle leaders for the coming year, Mrs. Henry Wyman introduced Mrs. Evalona Glasener, superintendent of the Ruth M. Smith Children's Home at Sheffield, as speaker for the evening.

Mrs. Glasener gave a most interesting talk about life in a children's home and how necessary it is to give each child the love and mothering which is rightfully his but of which he has been deprived because of his own home having been broken up. She brought out many humorous, and also pathetic, incidents which occur in the daily routine care of the children.

Following Mrs. Glasener's talk, the new Circle chairmen read names of their Circle members for next year and the meeting was adjourned.

WOMEN OF THE MOOSE TO ELECT OFFICERS

Senior Regent Esther O'dell asks for a large turnout at the regular meeting of Warren Chapter 693, of the Moose, to be held at 8:00 p. m. Wednesday in the lodge rooms. Officers are to be elected and there will be other important business discussed.

Reports due from committee heads at this session are the following: Publicity, Lois Simmons; child care, Mildred Lawton; ritual, Mary Telmon; Hospital Guild, Martha Solock; membership, Ethel Johnson.

Committee Heads For PTA Named

There was a good turnout of officers and local presidents for the meeting of Community PTA Council's board of managers, when announcement was made of the following newly-appointed chairmen for the coming year:

Finance (Clare Tree, Major), Mrs. A. E. Guiffre, with Mrs. R. H. Hines as co-chairman; publicity, Mrs. John Trauffer and Mrs. S. M. McClure; budget, Mrs. Robert Larson; historian, Mrs. Robert Jaynes; publications, Mrs. John Calkin; Girl Scouts, Mrs. Walter Mathew; parliamentarian, Mrs. August Bova; parent education and study groups, Mrs. George Nelson and Mrs. Charles Stephens; program, Mrs. Joseph Knowlton and Mrs. Kenneth Greenlund; group relations, Mrs. Robert Wilder; Youth Canteen committee, Mr. and Mrs. Ervin Rader, Mr. and Mrs. W. S. Loding.

The matter of helping with supervision of the Youth Canteen was discussed and it was deemed advisable to appoint two couples, who would, in turn, be responsible for securing others.

Carl E. Whipple, school superintendent and state vice president of the organization, expressed the desire that each school have study groups, especially pre-school groups, these having proved successful and beneficial in one of the schools in the past term.

SERIES OF GAMES

The public is cordially invited to attend the second session in the series of games being held in the VFW post rooms by the Auxiliary, getting under way at 7:30 this evening.

Installation of Officers For Catholic Daughters

Miss Ann E. Fleming, district deputy from Kane, will be in charge of installation of officers at the monthly meeting of Court Warren, Catholic Daughters of America.

The session will be held at 8:30 p. m. Wednesday in the TWCA activities building and another distinguished guest expected to be in attendance is Miss Frances Maher, also of Kane and national supreme regent of the organization.

Officers and trustees of the court are asked to make a special effort to be on hand no later than 7:30 p. m.

Mrs. W. E. Cooney and Mrs. A. J. Mulhaupt are chairmen of the program for the evening and urge a large turnout for the occasion.

Sugar Grove Woman Is Honored By Rebekahs

Sugar Grove—Mrs. Catherine Carr was honored following the regular meeting of Maplewood Rebekah Lodge, when members gave her a surprise reception celebrating her anniversary of 50 years' membership in the order. Mrs. Carr has been a member of the local group since 1925.

Mrs. Mildred Sharrard presented her with a corsage and Mildred Williams, noble grand, gave her the 50-year jewel of the lodge. Mrs. Mabel Whitford presented the certificate of 50-year membership from the Northwestern Pennsylvania Association of IOOF. Sharing honors in this last presentation was J. E. Abbott, receiving his 50-year certificate.

Rev. C. C. Ross, pastor of Youngville Methodist church, spoke on "The Four Points of Odd Fellowship." Travers Stohberg sang two numbers and the welcome to members and guests was extended by Miss Helen Alexander. Refreshments and a social time concluded a very pleasant evening for the 60 persons present.

Dry your clothes the modern way with a HAMILTON Automatic GAS Clothes Dryer

Even in summer... when the weather seems right... drying your clothes outdoors can be risky.

Windy weather carries dust and dirt—sometimes even carries the clothes right off the line! Birds have no respect for your sheets. Children find lines of clothes a dandy place for a game of tag. Even the sun, doing the drying job, fades colors at the same time.

Happy is the lady who owns a GAS Clothes Dryer. After she washes her clothes, she just tosses her wet wash into her gas fired dryer.

Quicker than she could stretch lines and hang her clothes, they're damp-dried ready to iron. A few more minutes and

the pieces she doesn't iron are fully dry, ready to fold and put away.

So simple—compared with outdoor drying! Why risk rewashing smudged clothes? Why wear yourself out?

Get a GAS Clothes Dryer and "play lady" while your clothes dry quickly—all clean and sanitary. No matter what the weather, your clothes dry slick in your GAS Clothes Dryer.

Stop in tomorrow—at your Gas Appliance Dealer's or your Gas Company Office—and see the GAS Clothes Dryer. It's much faster than any other mechanical clothes dryer!

HAPPY OCCASION—Mr. and Mrs. Frank J. Blastic, 4 Hazeltine street, celebrated their 35th wedding anniversary Sunday, June 8, with a delightful open house at the family home. They were married June 9, 1917, in St. Clara's Catholic church in Clarendon by the Rev. Father O'Hern.

In a completely redecorated home, made more beautiful with arrangements of snapdragons, iris and roses, they welcomed guests during the afternoon and evening, receiving congratulations and many lovely remembrances of the occasion. Mrs. Blastic had a white orchid corsage with an attractive gray crepe frock.

On the dining table, in a garland of white roses, was a five-tier wedding cake, around which were arranged decorative sandwiches and other refreshments. Arrangements were in charge of Mrs. Leonard Hanson, Mrs. Chester Nelson, Martha Callenburg and Martha Callenburg and Marjorie Bauer.

Last Saturday morning, the couple, with their wedding party, enjoyed breakfast at Bigelow's at the Hotel Jamestown.

DESSERT LUNCHEON LAST OF SEASON

The last YWCA dessert-luncheon for this season will be held at the activities building at 1:30 p. m. Friday, when Mrs. Robert Whitehill, former "Y" secretary, will review the inspiring book, "Man Called Peter." In this current best-seller, the author, Catherine Marshall, relives the life of her husband Dr. Peter Marshall, and tells of their life together. Dr. Marshall, a Scotsman and minister, brought God into the affairs of men with his dynamic personality. This book truly earns its place on the best-seller list.

Complementing the book review Mrs. Glenn Engstrom will present Susan Yeagle and Ulysses Smith and their accordions. In solos and duets, they will play "The Anniversary Waltz," "Skater's Waltz," "Alo-e-tic," "Too-ra-loo-ra-loo-ra!" and the "Caisson Song."

Reservations may be made by calling 450 until Thursday at 5:00 p. m.

SHOWER HONORING BETTY LOU GABER

Miss Betty Lou Garber of Clarendon, who will be the bride of Lee Graham on June 21, was honored at a shower given by the Misses Jean Dickerson, Jean Mitchell and Winnie Parks in the Clarendon IOOF hall.

The room was decorated with a pink and green-covered umbrellas in its center and gifts for the bride-to-be placed under and around it. The centerpiece for the table was a miniature of the same umbrella.

Games were played and prizes awarded the winners. A lunch was served and the honored one was remembered with many lovely gifts.

GIRL SCOUT NOTE CONCERNING CAMP

In connection with the report of Girl Scout camping plans announced on Monday, it is stated leaders should be sure to check with the Scout office on the number of girls and adults registered for their camp period, obtain their permission slips and health forms for each girl attending. Registration fees are due in the office no later than June 16, the camp committee states.

YOUNGSLVILLE REBEKAH LODGE HONORS MEMBER

At the regular meeting of Lady Gray Rebekah Lodge at Youngsville, the organization honored Mrs. Mattie Chapel with presentation by Mrs. Mabel Chipman of a 52-year membership certificate. Mrs. Chapel is the only charter member of the organization, having belonged since 1894.

LUTHERAN NOTES

Pastor C. J. Franzen, Youngsville, makes these announcements for his rural Lutheran charges: Wednesday, 8:00, Hessel Valley board of administration at the church; Thursday, Martha Dorcas Society of Hessel Valley will meet at 2:00 p. m. at the home of Mr. and Mrs. Ephraim Carlson, and Saron Brotherhood will meet in its church at 8:00 p. m.

The Saron-St. Francis Daily Vacation Bible School will have a picnic on Island Park at 12:30 p. m. Thursday, each one to bring a turron and table service, the committee to provide ice cream, milk and coffee.

On Friday evening, beginning at 7:30, the closing program for the Bible school will be held in Saron church, with a display of the school work arranged in the basement.

COME FOR SUMMER

Mrs. W. Gordon Smith, the former Eunice Louise Carlson of Sheffield, arrived Saturday by plane from Santa Barbara, Calif., with her three children, Elmore, Cecilia and Erik, to spend the summer with her parents, Mr. and Mrs. J. H. Kraft, Lanning Hill.

HERALDS AND MOTHERS

The Little Heralds and Mothers Circle of First Evangelical United Brethren church, will hold its June meeting at 2:30 p. m. Wednesday in the primary room of the church, with Mrs. Elmer Elmquist and Mrs. Albert Anderson as hostesses.

THE STORY OF OLD GLORY—2

So bitterly did New England Puritans object to the Union flag that in 1634 John Endicott, governor of Massachusetts, cut out part of the cross in Salem's flag. The British, charging the mutilation gave "great offence" to England, had Endicott debarred from public office for a year.

In 1686, Sir Edmund Andros, appointed governor of the New England colonies by King James II, designed the flag at right, using red stripes and a white background to set off the gold crown and monogram of the king. But the colonists found it unacceptable.

As a result, the so-called pine tree group of flags was born. Granddaddy of the flags, which actually depicted fir and spruce trees, was the New England flag designed in 1700 (at top). The flag at lower right was to lead to the strikingly symbolic rattlesnake flags to be described tomorrow.

ROBERTSON PUPILS IN FINAL RECITAL

Mrs. W. M. Robertson and daughter, Miss Jean, West Third avenue, will present their piano pupils in their second and final recital of the season at 8:00 p. m. Wednesday in the Woman's Club. A cordial invitation is extended to all parents and friends of the young people to enjoy this special program.

GIUNTA-MARKER MARRIAGE ANNOUNCED

Mrs. George Marker announces the marriage of her daughter, Gretchen, to Dr. James Giunta, also of Warren, in a ceremony performed at 10:00 a. m. Saturday, June 7, in Jamestown. Attendants were Dr. and Mrs. Santo Giunta, brother and sister-in-law of the bridegroom. The newlyweds will reside at 11 West Third avenue.

CENTRAL WCTU

Central WCTU members will hold their regular meeting at 2:30 p. m. Thursday at First Methodist church, with Mrs. Maurice Emery as leader. The hostess will be Mrs. Joseph Lawson, assisted by Mrs. Esther Swanson and Mrs. Gerald King.

ZONTA LUNCHEON

Zonta Club members will hold their regular business meeting in the YWCA activities building Thursday, following luncheon at 12:15.

Invitations are out for the coming marriage of Marilyn Samuelson and Dr. Stein of Cleveland. The bride-elect is a niece of the Anderson sisters of Pittsfield.

CIRCUS WAGON CONTEST—Want to have a free day as guest of the Jaycees? Well, get those wagons rollin'... Jim Deigan, chairman, announces that the judging date for all model circus wagons entered in the Jaycees' contest is Sunday, June 15, but wishes to have any wagons already completed turned in at contest headquarters, located at the Clyde R. Norris Co., Pennsylvania avenue, west. These wagons will go on display in one of the lead-

ing merchant's windows for a period of at least one week prior to the judging date. In addition to the "free day," there will be two other prizes, one a reserved seat ticket and \$3.00 in cash. Better start building, kids! Pictured above is a model circus done by Mr. Deigan, who is probably one of the most enthusiastic circus fans in the country today—and one of America's most able builders of miniatures.

Cave Dwellers of the Softball League Spring Two Surprises

Two upsets occurred in the YMCA-Church Softball League action at Beatty Field again last night, the Phalanx turning the trick on the leading First Methodist team, 10 to 3, and Bethel EUB trouncing Grace Methodist, 10 to 7. However, both winners stayed tied for last place with 2-3 records.

Gail Grinnell went the full nine innings for the Phalanx and blasted out two singles and a triple in five times at the plate to lead the batting along with Ralph Hoffman, who hit four for five. For first, Spinner Johnson went the distance and N. Bartholomew was the big stickman with three in four trips.

Jamestown Falcons Beat Wellsville, 12-10

By The Associated Press

Bolstered by four new players, the Wellsville Rockets came to life last night and set the high-riding Hamilton Cardinals on their ear, 10-6 in PONY League play.

Third place Jamestown and the Corning A's gave their pitching staffs an airing in a 12-10 ding-dong won by Jamestown. Dodger manager Tony Lupien led the Jamestown attack.

At Batavia, the Olean Yankees and the host Clippers split a pair, the opener going to the Yanks, 4-1. Mike Francis, Chipper backstop, slammed a couple round trippers in the second fray to lead the home club to a 7-5 win.

SUCCEEDS BELL

Bill Luther, former Penn State football halfback and baseball pitcher, is the newly-elected grid coach at Bellefonte High School. He succeeds Fred Bell, also an ex-Penn Stater, who resigned to accept the coaching portfolio at Warren High School. Luther was an assistant at Conneville.

Bobby Harrison In Fifth Win, Guiffre Defeats Sylvania

Bob Harrison won his fifth mound victory of the season on the West Side Field last night, when he pitched a 5-0 shut-out for Guiffre's Grocery over Sylvania Electric. Da'ler was credited with the loss.

It was also the fifth win against one loss for the Industrial League leaders.

Penn State's Court Sked Has 21 Games

State College, June 10—A 21-game schedule, in addition to the early-season all-college tournament at Oklahoma City, was announced today for the 1952-53 Penn State basketball team.

H. R. Gilbert, graduate manager of athletics, said the Lions will play 11 games at home, opening against Alfred University December 12. The eight-team Oklahoma City tournament will be held December 29-31.

The Lions last year won 20 of 24 games during the regular season, including a win streak of 15 straight games. They then lost two in the NCAA regional tournament at Raleigh, N. C.

TAKING INVENTORY

Steve Massa, in the East, and Nick Creola in the West Division, are taking an inventory of equipment of all Hot Stove teams and would appreciate the cooperation of team managers in giving them the information they need.

A "TOUGHIE" is Joe Sacco, popular wrestler, who will make an appearance here on War Memorial Field on Thursday, July 24, when the Warren Kiwanis Club will sponsor big-time wrestling for the benefit of its under-privileged children's fund. This will be the first time Warren has had such an exhibition and there will be three bouts. Sacco, who will come here under the Niagara Falls management, is tops among television favorites, as are the other opponents that will be seen in action come July 24.

Youngsville Trounces Business School, Merchants Beat Elks In Monday's Sunset League Tilts

Youngsville Merchants made no bones about getting out of the Sunset Baseball League cellar last night, drubbing Warren Business School, 18 to 2, at Wilder Field, and on the State Hospital diamond the Warren Merchants tightened their hold on the lead by trouncing the Elks, 11 to 4.

Although Elmer Haight gave up only five hits, eight errors on the part of the Schoolboys played a part in the out-of-town win, their second of the season. The Warren nine moved ahead 2-1 in the top half of the fourth, but in the next three innings Youngsville put across 17 runs for its overwhelming victory.

Assisting Haight, who had three for four himself, at the plate were Ross Ananea with a perfect night of two doubles and a single in as many times at bat, George Lucia with a three-bagger and round tripper, and Norm Haight with a pair of doubles and a single. John Castagnino was the big stickler for the losers with two for three.

In the game at North Warren Rod Kerchner gave up six hits for the Merchants and fanned 13 men. Ken Thompson and Dick Christensen each toed the mound for the Elks, allowing nine hits between them.

Smashing out a single, double and triple, Dave Bevevino led the batting for the Merchants, Lee Graham and Kerchner each with two for three. Jim Beckenbach turned in a beautiful night at the plate for the Elks, hitting a perfect four for four. While the Merchants scattered their runs over the seven-inning stretch, all of the Elks' tallies came in the seventh.

Jerry Archibald completed the Hot Stove League Intermediate and Cadet schedules last evening but not in time to appear in today's paper along with the other three leagues. However, they will be published tomorrow, when the Cadet League opens. Although the Intermediate League was originally intended to open today, it will not be open until Thursday.

Through The Wind Tunnel

Abigail is practically sure of enough money for a circus ticket without taking anything out of the old blue earthenware pitcher on the third shelf above the bread box (which is almost filled with bottle caps she started to accumulate when beer came back and a prize was offered; the bread box, not the pitcher).

Our inter-office postal system turns up the following:

"Dear Mr. Wind Tunnel:

"After reading in your column the other night that you got lost on Prospect street, never realizing it ran so far east and west, I wish to concur with you that you really were lost. Prospect street runs north and south!"

That knocks two letters but of geography, I and Q!

Curiosity triumphed, and we went back to the table to see if what George and Rus had said was true, or whether they exaggerated. They had not. There she sat, just as sweet and pretty as they had described. But, for our money, her girl friend will do very well, too, very, very well!

To get back to Abigail, which is always a dubious pleasure, it seems Biddy got loose and went back to her old nest where, at long last, to and behold, look, imagine, what gives, and Utopia right here in Warren county, she is mothering a brood of twenty-one baby chicks! Abigail says Andrew likes his chicken frying when he gets his griddle hot, and she's going to sell 'em all to him in about two weeks, which will enable her to get a \$4 ticket for the circus as well as some peanuts, pop corn and pink lemonade. She may even have enough to park the Model T in the Jaycee lot. And she hopes she gets to sit by Ben Kinnear 'cause she thinks he's got it all over Andrew when it comes to personality!

Chubby Brown, who has a lot to live up to as an expert a milkman as his big brother Billie, seems to be stepping into his shoes very well. He can always convince you that two quarts is more than one, and that three or four will take care of any guests who may drop in, together with some cottage cheese, a pound of butter, and a little whipping cream just in case they bring along some strawberries!

Notice is hereby given of the intention of John J. Yenick, 688 Baldwin Ave., Sharon, Pa., Juanita L. Hardy, R.D. 3, Warren, Pa., and Joseph Hardy, R.D. 3, Warren, Pa., to file with the Department of State on June 17, 1952, articles of incorporation of the Hardy Television Company which is proposed to be organized under the provisions of the Pennsylvania Business Corporation Law, as amended, the purpose of said proposed corporation being: The construction, maintenance, and operation of television aerials, and all equipment necessary and appurtenant thereto, the erection, maintenance and operation of wires, and lead-ins for the transmission of television signals from the said aerials to the homes and business places of users of television equipment, and the rental of the use of such wires and lead-ins to users of television equipment, and the sale at retail and wholesale of all kinds of television equipment and electronic equipment and the maintenance and repair of such equipment.

Freight Trains In This Section To Be Operated by Diesels

Effective today, according to local officials, the Kane to Erie freight trains will be hauled by diesel locomotives, and the Warren to Sheffield local freight will also be diesel equipped.

Four more diesel locomotives for pusher service over the Kane hill are expected here daily, and will necessitate considerable rearrangement of terminal facilities in the Warren yards when placed in service.

New mechanical arrangements are to be made at the round house and oil tanks installed. The turntable will also be removed, officials said, because it is not necessary to turn the diesels around.

Finance Company Aids Vacationers

"These days no one need run short of cash due to an unexpected emergency while on vacation," stated R. K. Wetzel, manager of the Personal Finance Company at 216 Liberty street.

"Our office is one of 700 affiliated offices from coast to coast in this country and Canada which will issue and recognize Beneficial Nationalwide Cash-Credit Identification Cards. These cards are very much like a spare pocketbook and have helped thousands out of financial emergencies while away from home."

Mr. Wetzel went on to say that the card will be issued on application, to all credit-worthy people. It is not necessary to have a loan nor to apply for one in order to possess a credit card. There is no charge for getting the card and no penalty if it is not used.

"Last year," said Mr. Wetzel, "over a million credit cards were issued by my company. Thousands found out they were not 'strangers in a strange town' when they showed their card. Thousands who found no need to use the card asserted that just having it gave them a feeling of confidence. I would advise every person going on vacation to apply for a credit card. It could prove very handy—and the vacationer has nothing to lose if he doesn't use the card."

Clarendon Events Center 'Round Old Home Week Activity

Clarendon—The monthly meeting of the Clarendon Volunteer Fire Department and its Auxiliary was held as a joint affair in the fire building, with members completing their plans for the annual Old Home Week celebration June 10-14.

After each organization had held its individual business session, all journeyed to the downstairs room for a lunch served by the hosts for the evening, Mr. and Mrs. Robert Bullock. The center of the table held a beautifully decorated cake with the fire department's initials and appropriate message, made by Mrs. Bullock for the occasion.

Mr. and Mrs. Walter Abraham and two children, Pittsburgh, called on Mrs. Eliza Sutton, her aunt, for a short visit Friday. They have been visiting at the home of Mrs. Abraham's parents, Mr. and Mrs. Henry Sorenson, in Cherry Grove, where they took part in a very pleasant home gathering of the eight children of Mr. and Mrs. Sorenson. Eleven grandchildren also were present. Mrs. Abraham is a former nurse, called into the service during World War II, became a first lieutenant, doing transport service at that time. Mr. Abraham is also in the service, and on vacation.

Jack Riggie took his mother and aunt, Mrs. Clara Oldham, to Jamestown for a short stay with Mr. and Mrs. Charles Riggie and family.

Mary Low and Ethel Atkins came back to Clarendon Sunday for church and a day with friends here.

Edward T. Sleeman has returned from Warren General Hospital, and is improving steadily, much to the pleasure of his many friends.

Sextet, Scouts To Practice at Elks'

Members of the Warren High school sextet, John Timm, James Leding, Charles Eaton, Tom Barlow, Lewis Garber and Bob Ebach, together with Boy Scout Troop 5 will practice at the Elks' club at 7:30 p. m. Wednesday.

The boys will go through their part of the program incidental to the presentation of flags at the Elks' annual Flag Day observance to be held at War Memorial Field, Saturday.

Obituaries

MRS. LULU FISH

Services were held at the Sage Funeral Home in Tidoute at 2:00 p. m. Saturday for Mrs. Lulu Shilling, 68, of Warren. She was a native of Pennsylvania and a member of the Elks' club. She was married to Mr. L. E. Shilling, who died in 1944. She is survived by two sons, L. E. Shilling, Jr. and L. E. Shilling, III, both of Warren.

Mrs. Fish was born August 26, 1873, on Yankee Bush, living at Endeavor after her marriage to William Hall. Following his death, she remarried in 1911 and, with her second husband, Fred Fish, lived in Warren Rd. 2. He died in 1944, and two brothers and one sister preceded her in death.

Survivors are four children, Alton Hall, East Hickory; E. Harriet Hall, New York City; Harold Hall, Warren; and Ardith Warham, Endeavor; also 15 grandchildren and four great-grandchildren; two sisters, Lillian Johnston and Minta Anderson, both of Warren.

FRED BARRETT

Fred Barrett, retired farmer and lifelong resident of Sugar Grove, died at 7:25 a. m. Monday following a long illness. He was 82 years of age.

Surviving are two sons and one daughter, Hugh, Bemus Point, N. Y.; Donald Barrett and Mrs. Mildred Wright, Sugar Grove; two sisters and one brother, L. E. Catherine Carr, Mrs. Carrie Mickelson and Harry Barrett, all of Sugar Grove; also 7 grandchildren and 14 great-grandchildren. His wife, Bertha, preceded him in death in 1943.

He was a member of Sugar Grove Methodist church and services in his memory will be held there at 2:00 p. m. Wednesday. The Rev. Victor Redfoot, pastor, will officiate and interment will be made in Cherry Hill cemetery. Friends are being received at the Schoonover Funeral Home until noon on Wednesday.

CARD OF THANKS

I wish to thank all those who assisted in any way during the illness and at the time of the death of my husband. Especially I wish to thank those who sent flowers and for the use of cars.

Mrs. R. R. Wilcox, Corydon, Pa.

Building permits calling for an estimated outlay of \$59,650 in construction costs were issued at the city building during May. Nine were for new construction estimated at \$36,650; and fourteen for alterations and repairs to existing buildings.

FINES ASSESSED

Two local young men were fined \$10 and costs each when arraigned before Justice of the Peace T. M. Greenlund yesterday on charges of disorderly conduct, preferred by City police. The men were arrested Sunday evening after a complaint was made about molesting two young ladies.

BOARD OF HEALTH

The Warren Board of Health reported 85 cases of communicable disease in the city during May. Of these, 77 were German measles, 8 chicken pox, five measles, and five mumps. Health Officer Edward McKendrick reported 191 quarantines and releases, 22 dairies inspected and 8 investigations conducted for the month.

REGISTRATION PERIOD

Chief of Police Mike Evan announced this morning that the bi-annual period for bicycle registration will be held soon. Each two years, bicycle owners in the city are required by law to register their wheels with police and secure a license tag. Further details concerning the time and place will be announced in the near future.

COURT SESSIONS

A jury is today hearing the case of Commonwealth vs. John Daley, of Warren, charged with drunken driving by city police. Judge Allison D. Wade is presiding at the session. Tomorrow, the court will hold a special session with two civil matters, the appointment of a guardian, a non-support case, and a commitment to Warren State Hospital to be heard.

SUSPECT LET GO

City police took a local motorist to headquarters for examination at 3:20 a. m. today, of the opinion that he was guilty of drunken driving. Examination disclosed that the man was more sleepy than anything and he was allowed to go. Police suspicions were aroused when he was observed driving in an erratic manner.

SMALL LOSS

Fire loss for the month of May was listed at \$160 in the report received by council at last night's meeting. Sixteen calls were received, of which one was from a residence, five were rubbish fires, two were automobile fires, one a store fire, one call to wash gasline from the street, and six for investigations. The annual hose inspection was also completed during the month, and Fire Chief Albaugh inspected all city schools.

CORRY GRADUATE

Franklin Cutshaw, 311 West Washington street, Corry, Pa., recently received his certificate from the International Correspondence Schools, Scranton, Pa., following completion of a selected units course in Electroplating. According to L. E. Johnson, District Rep. of the ICS, Mr. Cutshaw made remarkable progress in this course finishing it in less than three months of study. He is employed in the Electroplating department of the Aero Supply, Corry.

DELEGATES RETURN

The following delegates from Warren Council, United Commercial Travelers of America attended the 49th Annual session at Uniontown, Pennsylvania, June 5, 6 and 7: L. E. Seavy, Charles Sontag, Hugh Logan, Leland Webster, Harold Ross, Robert Armstrong, Nick Andersen and L. E. Johnson. The new Grand Councilor for the State of Pennsylvania is Mahlon Wells of Philadelphia. The state convention next year will be held in Clearfield, Pa., June 4, 5 and 6.

CIVIL SERVICE EXAMS

The Pennsylvania Liquor Control Board is currently accepting applications for state liquor store clerk jobs, with the deadline for filing set at June 20. Applications are obtainable at any of the state stores, or offices of the Department of Public Assistance, State Employment Service, or direct from the State Civil Service Commission. The positions carry a starting salary of \$2262 annually with meritorious increments to \$2970. Examinations will be given July 19 with local applicants taking their tests at Erie.

William Sweetland Of Pleasant Twp. Has Sudden Death

William Sweetland of Warren RD 1, Pleasant township, died in Warren General Hospital at 1:02 this afternoon after having been admitted as a patient at 12:10 a. m. today.

Mr. Sweetland is survived by his wife, Laura Coleman Sweetland, and by two daughters, Mrs. Hazel Mangini, at home, and Mrs. William Franklin, Beuna Vista Blvd., Pleasant township. There are two brothers in Youngsville, Robert J. and John Sweetland.

Mr. Sweetland had been employed since September 23, 1938, at the National Forge and Ordnance plant where he worked in the heat treating department.

Coroner Ed C. Lowrey is investigating Mr. Sweetland's death this afternoon and it was said an autopsy would be performed.

John L. Lyke With Bell Telephone Co. 25 Yrs. This Week

Completion of 25 years service with the Bell Telephone Company of Pennsylvania will be marked Saturday, June 14, by John L. Lyke of 223 Central avenue, local field engineer for the company.

Lyke started with Bell in 1927 as a lineman in Carnegie, transferring to Warren in 1935. He was made a line foreman in 1937 and became a field engineer in 1943.

He is a member of the Telephone Pioneers of America and the First Presbyterian Church. He is married and has four daughters.

Safety committees, reported 647 arrests during May, and collection of \$1,083.50 in fines, \$12.76 in bicycle licenses. He also reported that Anthony Massa, Robert Hadley and Carl William Pearson had passed the Civil Service Commission examination for firemen, their eligibility had been certified, and that Massa, who attained the highest grade, had been hired as fireman.

Council took preliminary steps to vacate that small piece of Second avenue lying between Conewango Creek and Water street, adjacent to St. Paul's Lutheran church, and will be open to hear protests against this action at the July 14 meeting.

Council took another step toward getting out of the private labor activity in which it has dabbled for many years, by passing an ordinance which will handle, by fines, the matter of forcing property owners to cut weeds on vacant lots. Fine for first violation, after due notice, will be \$5 and will ascend to \$25. While the borough "may" cut the weeds if the property owners continue their neglect, it is intended that the problem will be solved by the imposition of fines. Heretofore, it has been difficult or impossible to collect charges for cutting weeds by use of borough help.

When Councilman Merenick mentioned complaints about soot which had been made to him by residents of the ninth ward, Borough Manager McConnell and Councilman Freeman Peterson were quick to say that a similar condition exists in their neighborhood, and Mr. Rice, also reporting complaints, said "We are headed back to the smoke ordinance of five years ago which was so technical that it was abandoned in mid-stream." The matter was referred to the Public Service committee in the hope it can be handled with the offending concerns and without other action.

Because of the press of business and participation in extra curricular activities, F. E. Kieshauser tendered his resignation as a member of the Board of Adjustment of the Zoning Board. This was accepted with regret and Mr. Kieshauser's work was praised. Councilman Yagge was named to fill out the unexpired term.

The matter of accounts owed to the borough by residents for whom private work was done will come before Council at its next meeting. Prior to last night's session, each Councilman had been mailed a copy of the list. Recommendations will be made for writing off certain accounts while liens will be levied against other delinquent.

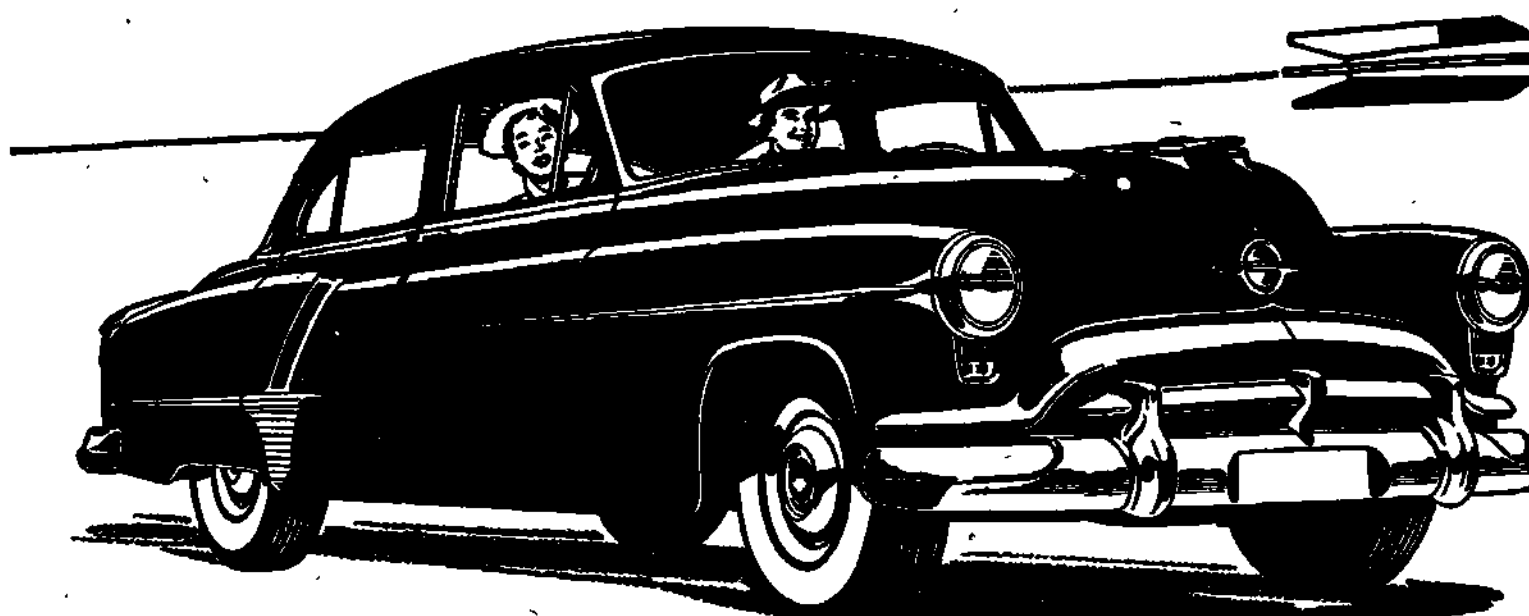

Solicitor Harper reported that it had been tentatively agreed the borough would accept social security for its employees, to start July 1, and that an ordinance will be presented at next meeting.

Mr. McConnell reported that Penelec is making excellent progress in installing the borough's new street lights, also that the State Highways Department will soon remove the old lights from the Hickory street bridge and repair the bridge.

It was formerly believed that the earliest men were of very large size and that contemporary men were dwarfed descendants, but in recent centuries it has been recognized that there is little or no basis for such a belief.

All members of the club are urged to be present on Wednesday to meet the new coach.

EXPECT TRUMAN WILL SIGN NEW AID BILL

By JOE HALL, Washington (AP)—The Senate yesterday passed the \$6,447,780,750 compromise foreign aid bill.

The vote sent the measure to the White House where President Truman is expected to sign it although it falls short of the \$7,900,000,000 he asked.

Forty-one Democrats and 18 Republicans joined to give the bill 59 votes. Eleven senators opposed it—10 Republicans and a lone Democrat, Olin Johnston (D-S.C.).

The authorization measure gives a ceiling on the money to be made available in the fiscal year starting July 1. Congress must pass a second measure actually providing the money; the House appropriations committee has started work on this.

In passing the foreign aid bill, the Senate turned down a plea of Sen. Kern (R-Mo.) to send the measure back to conference with the House and restore to it a ban on aid to any country which sends armaments or war-useful materials to a Red nation.

Pennsylvania First In Defense Write-Offs

Washington (AP)—Pennsylvania ranks first in the nation in the amount of expanded defense facilities receiving rapid tax write-off privileges, according to the U. S. Department of Commerce.

More than 850 authorizations have been granted to state firms at a value of \$1,800,000,000. The amount is about 13 per cent of all industrial development being helped under the National Defense production program, the department added.

Repairs for North Warren School Are Planned by Board

At the June meeting of the Conewango township school board, held last evening in the North Warren School, bids were opened and contracts awarded for rewiring and lighting of the North Warren School. Bids were also received and contracts awarded for painting the outside of the school. All interior painting bids were rejected and will be re-advertised. Permission was granted the caretakers of the district's two schools to attend safety meetings in Titusville, June 26.

Discussion was held and agreement reached in granting a right of way along the east boundary of the Starbuck school property for a public road to help keep the children off Route 6. Transportation problems were discussed, and committee appointed to work out details for new contracts. Routine business, and reports of a highly successful school year concluded the session.

Senate Will Consider Buchanan Appointment

Washington (AP)—A public hearing will be held Monday on the nomination of Thomas C. Buchanan of Pennsylvania to a reappointment on the Federal Power Commission for a term expiring June 22, 1957.

The hearing, called by the Senate Commerce Committee, will be conducted by a subcommittee headed by Sen. O'Connor (D-Md.), and including Sens. Magnuson (D-Wash) and Tobey (R-NH).

DEPARTMENT STORE OFFICIAL IS DEAD

Media, Pa. (AP)—Howard Cooper Johnson, 76, business and civic leader in the Philadelphia area for several decades, died yesterday at his home in nearby Moylan.

Johnson had been ill for more than a year and retired in February as vice president and general counsel of Strawbridge and Clothier department store. He has held both positions with the firm since 1927 and continued as a director of the store until his death.
